

THE ADVENTURES OF

STEVE, DAVE AND JIM

ISSUE 1: GUITAR MAINTENANCE

THE FOLLOWING PAGES ARE THE RESULT OF A RECENT SERIES OF POSTS I MADE ON MY INSTAGRAM ACCOUNT. I HAD NO INTENTION OF MAKING A SERIES INITIALLY, BUT STEVE, DAVE AND JIM GREW ON ME. I COULDN'T STOP. I HAD TO SEE WHERE THIS WENT.

THE PHOTOS WERE TAKEN OVER A PERIOD OF THREE DAYS AS I SLOWLY PUT A PICKUP BACK IN A GUITAR AND ADDED A NEW SET OF STRINGS. THE WHOLE PROCESS WOULD HAVE BEEN A LOT FASTER WITHOUT STEVE, DAVE AND JIM, BUT WHERE'S THE FUN IN AN APPROACH LIKE THAT?

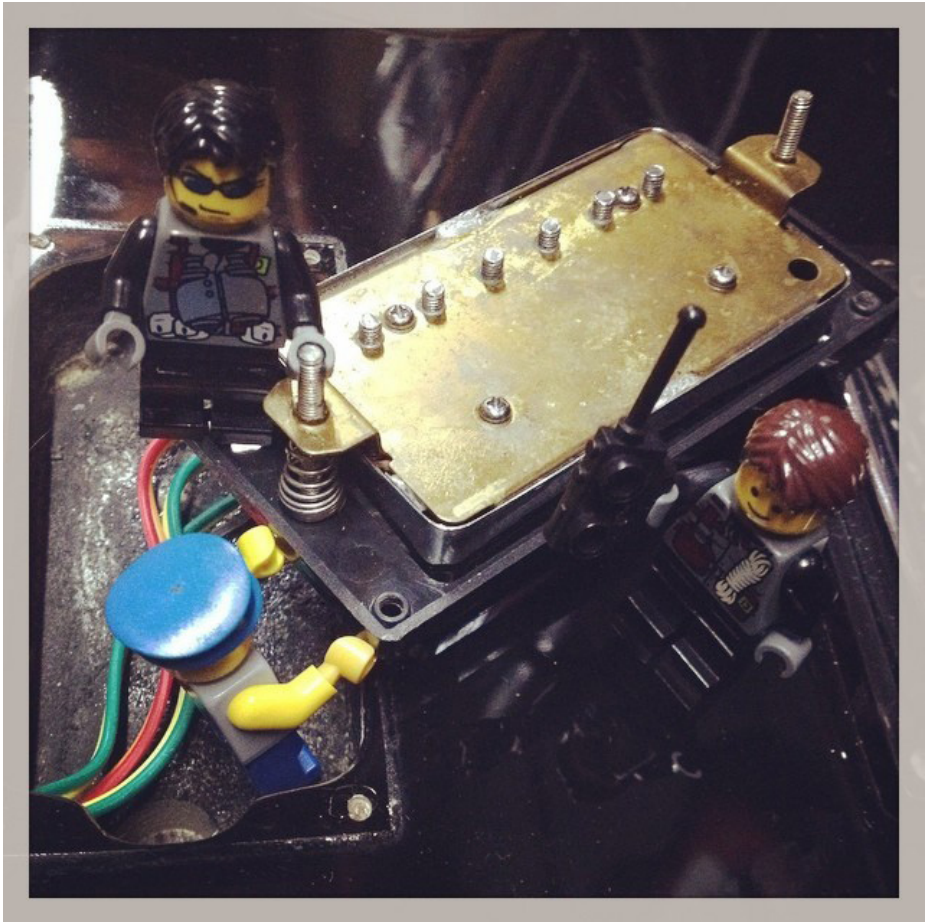

I HOPE YOU ENJOY THE NONSENSE.

WHO KNOWS?! THERE MAY BE MORE TO COME AFTER THIS.

CURIOUS TO SEE THE INSTAGRAM ACCOUNT THIS ALL STARTED ON? JUST GO TO ...

EASY!

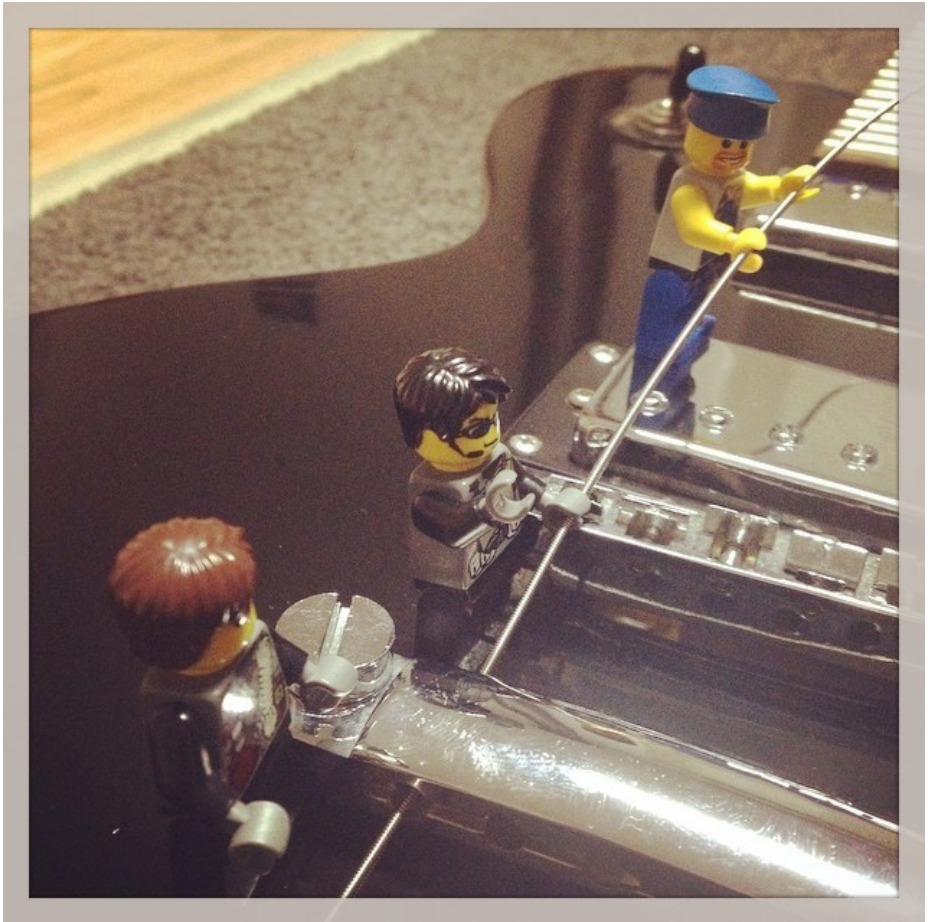

LITTLE DID STEVE KNOW, JIM AND DAVE WERE ABOUT TO BURY HIM IN THE GUITAR.

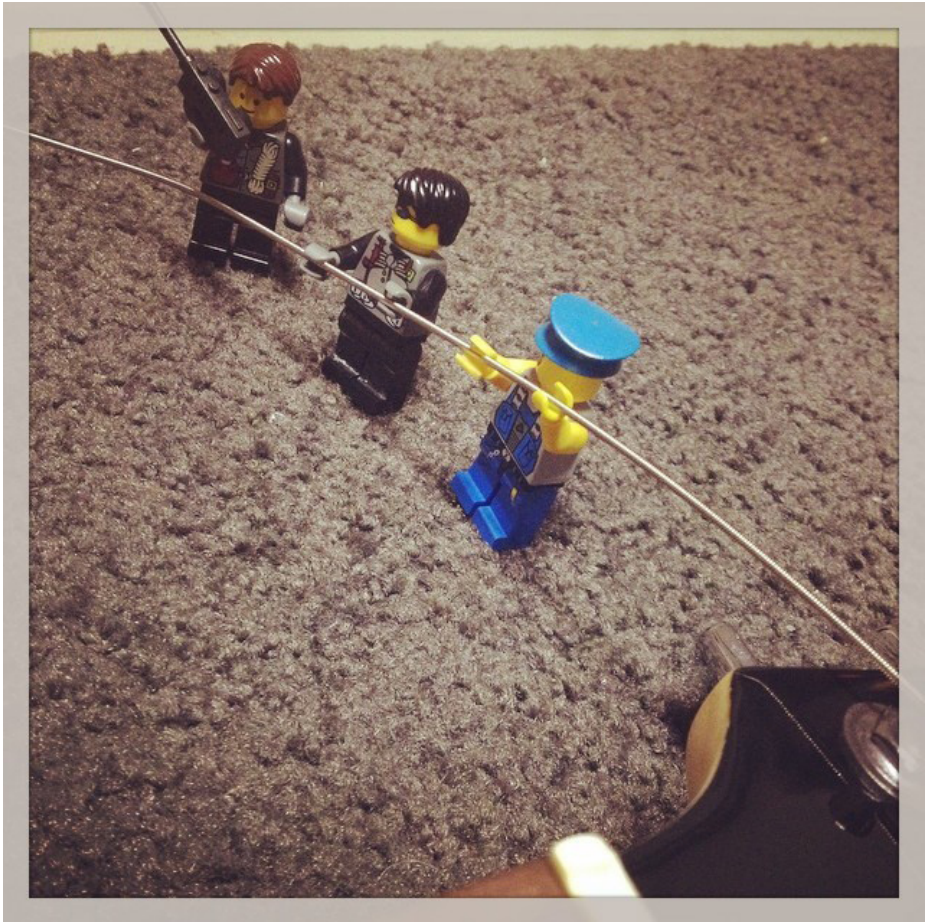

"NO STEVE! DON'T CUT THE GREEN OR YELLOW WIRES!"
SCREAMED JIM AND DAVE.

DAVE RELAYED THE ADVICE HE WAS RECEIVING FROM TECH SUPPORT TO STEVE AND JIM. "IT'S RIGHTY-TIGHTY LADS".

"STEADY ... STEADY ..." SAID DAVE AS HE PROVIDED MORE USELESS ADVICE TO STEVE AND JIM WHO WERE INSTALLING THE E STRING OF METAL.

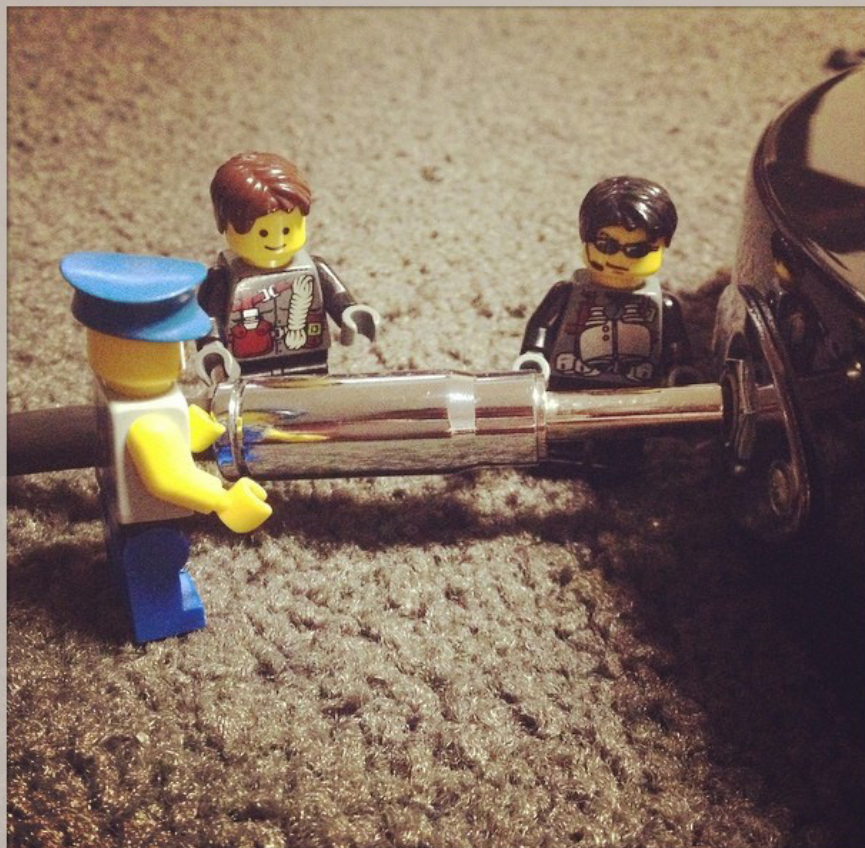

"YOU'RE NOT HELPING MUCH DAVE!" CRIED JIM AS HE AND STEVE CONTINUED TO STRING THE GUITAR.

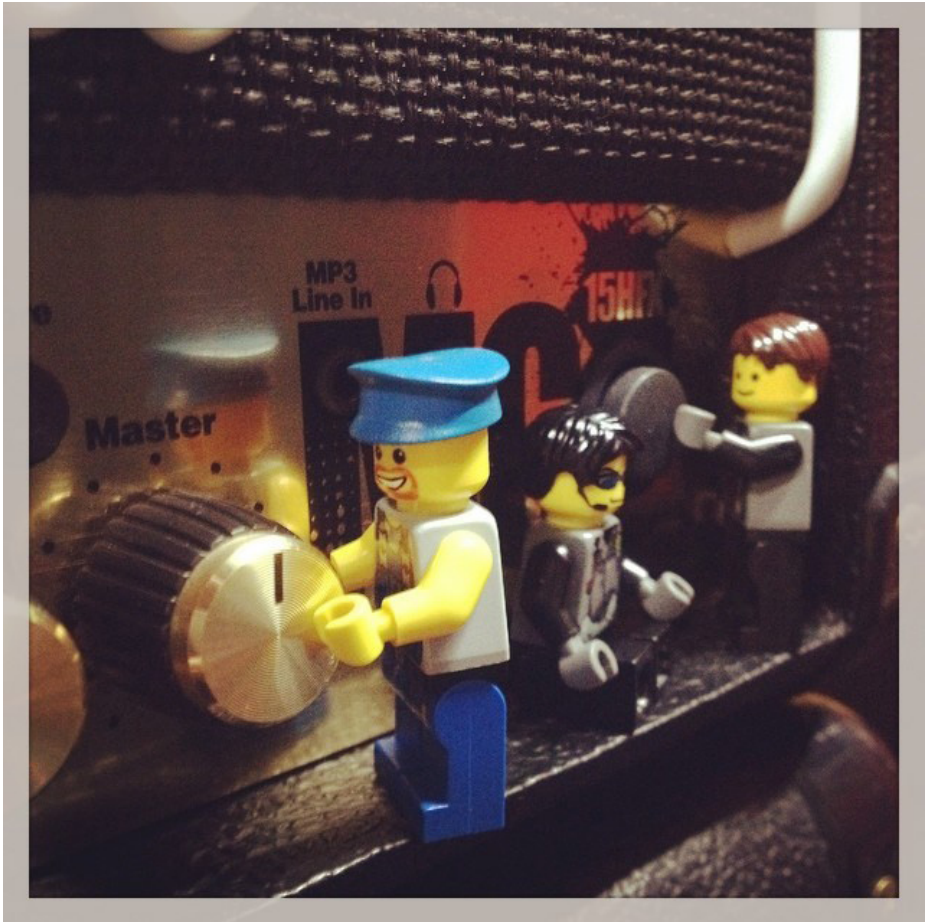

WITH STRINGS IN PLACE, STEVE MADE SURE JIM AND DAVE
TUNED THIS GUITAR JUST RIGHT.

WITH STEVE NOW RUNNING THE SHOW, DAVE AND JIM WERE TRIMMING THE GUITAR STRINGS LIKE TRUE PROFESSIONALS.

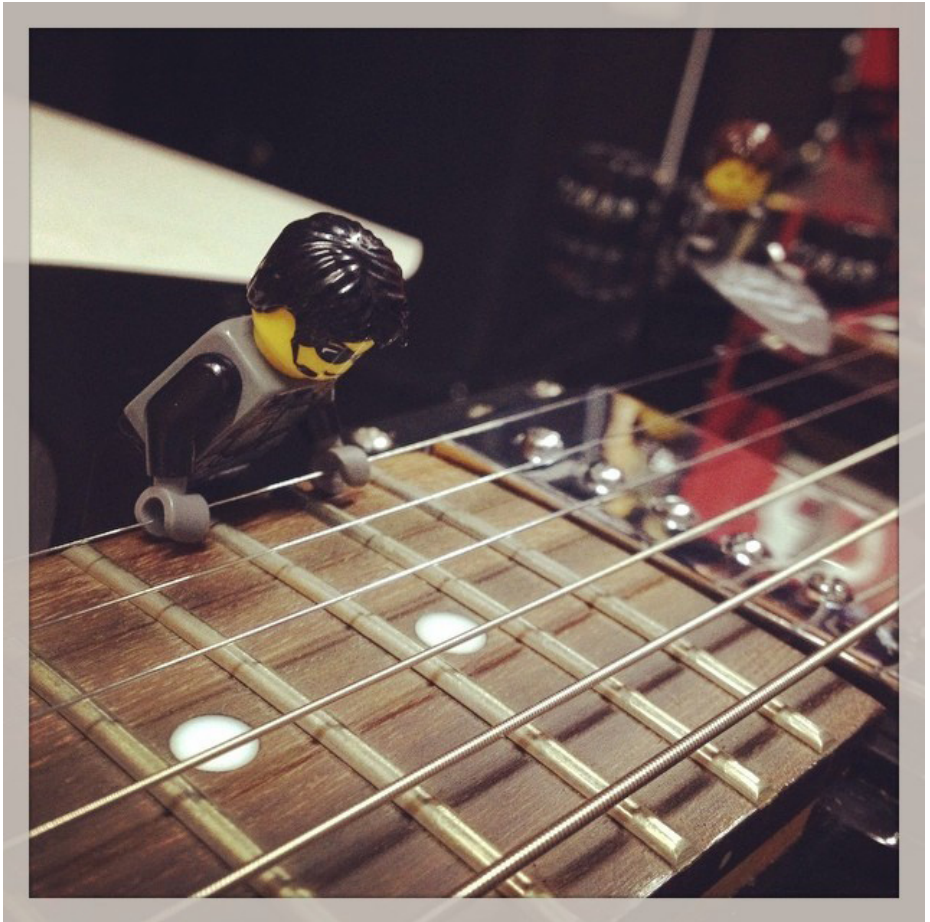

WITH THE STRINGS IN PLACE, STEVE, DAVE AND JIM DECIDED IT WAS FINALLY TIME TO TEST THIS GUITAR OUT.

AS STEVE PREPARED TO CRANK THE MARSHALL TO 10,
DAVE POWERED THE AMPLIFIER UP. JIM SAT ON HIS LAZY
ARSE. LAZY, LAZY JIM.

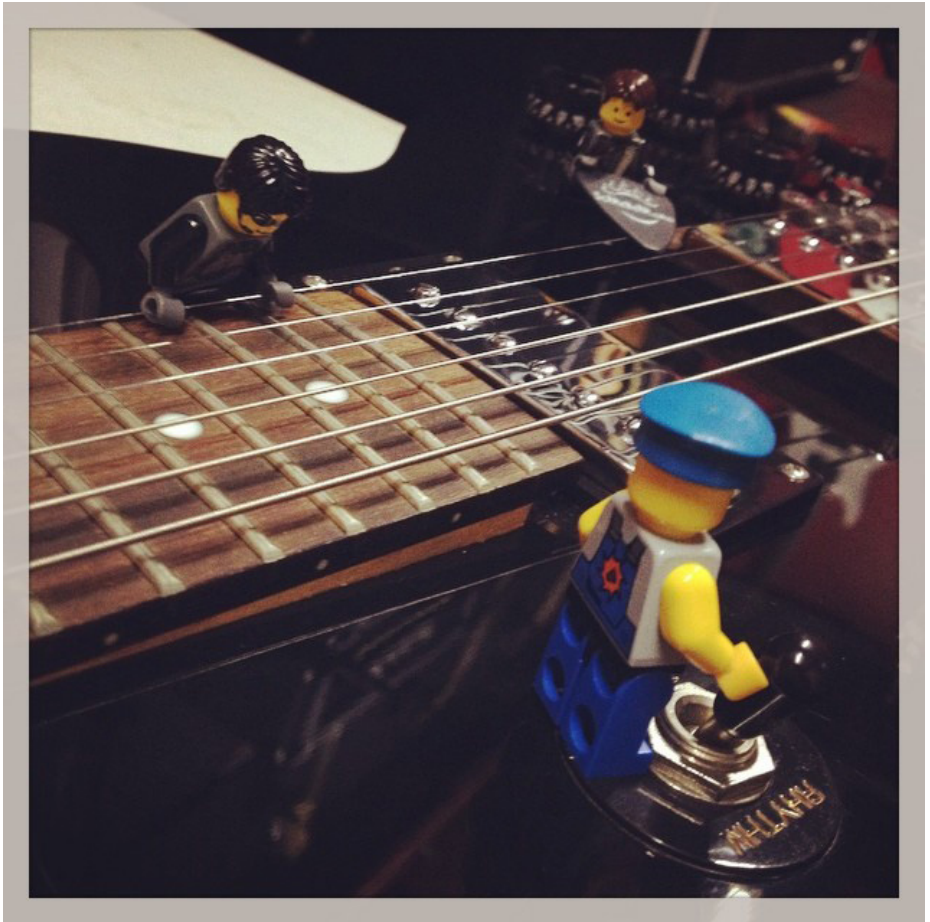

STEVE MANS THE PICKUP SWITCH ...

JIM PREPARES FOR THE 22-20 PULLOFF ...

DAVE READIES THE PLECTRUM ...

SUCCESS! IT TOOK A FEW DAYS, BUT STEVE, JIM AND DAVE HAVE RESTRUNG AN ELECTRIC GUITAR. WELL DONE LADS. ROCK ON.
